FOREWORD

The Ohio Gun Collectors Association was formed at the suggestion of Miller Bedford, August 8, 1937. Mr. Bedford was elected its first President. Terry Brown was chosen Secretary-Treasurer. This small group has grown to a membership in 1965 of over 3,500 members, from nearly every state in the Union, many from our good neighbor Canada, and some from abroad.

In 1949, the group was incorporated as an Ohio nonprofit corporation, with membership open to any reputable American citizen over 18 years of age, without a criminal record, and duly sponsored. On January 1, 1959, an entrance fee of $5.00 became effective which included the initiation fee, and dues for the balance of the year.

The Annual Dues are $3.00 per year thereafter.

A Life Membership is obtainable at $50.00.

Meetings are held in different Ohio cities, not to exceed six meetings per year. Four are held in Columbus, one in Canton and one in Toledo, the only areas where enough space is presently available. Our Columbus shows have had over 735 tables occupied, with more table requests than can be accommodated.

At each meeting the Board of Directors convenes on Saturday, to transact corporate business. At this meeting all policy-making decisions not requiring the vote of the membership are made. The general business meeting on Sunday deals with matters of importance to the membership, or requiring the vote of all members.

The Ohio Gun Collectors Association encourages its members to bring and display rare and unusual items from their collection.

The meetings are not open to the general public, but are open to members in good standing of recognized Arms Collectors organizations and a limited number of guests, each of whom must be sponsored by a member. All in attendance must wear a badge.

GUEST RULES

ADMISSION — Guests will be admitted to meetings when they are personally sponsored by a member in good standing, or if they are members of other recognized Gun Collectors organizations or are N.R.A. Life Members. There are no other exceptions.

NUMBER OF GUESTS — Each member is limited to two guests per meeting — all persons except babies in arms included. Arrangements may be made with the President for admission of special groups or individuals.

REGISTRATION — Each guest must register on the form provided, and his sponsor must present the completely filled out form to the registration desk for his guest's badge. Guests must agree to comply with the rules of conduct and safety of the O.G.C.A.

CHILDREN — Children will be admitted as guests when they are registered as required, however, they must remain with their sponsors or parents. Unaccompanied guest children found in the meeting hall will be ejected. Firearms and edged weapons are dangerous items and the O.G.C.A. discourages admission of small children to our meetings.

Passed July 25, 1948:

The following rules were drawn up by a special Committee appointed for this purpose. They were adopted as printed below:

Subject: Report of Committee

The Committee on Exhibits and Safety, in consideration of the need for regulation of exhibits for the purpose of restoring the meetings of the Association to the original intent, and for the protection of members and guests, has prepared the following recommendations. The matter of Safety is considered of prime importance, as an accident that would result in serious injury or death to any individual would likewise immediately terminate the Association.

REVISED RULES EFFECTIVE SEPTEMBER 10, 1966

SECTION I

Safety Rules

No member or other person shall, during the continuance of a meeting of this Association, and upon the premises where such meeting is held, display or show a loaded or primed firearm or air gun, nor shall any member or other person place any charge, whether blank or ball or empty case, in the barrel, chamber, cylinder, or magazine of any arm upon said premises during such time. Nor shall any member or other person place any percussion cap, tube, pill or any other priming device in or upon a firearm on such premises during such time.

Because of the immense value of the exhibits and to uphold fire and safety regulations neither shall any member or other person bring on the premises during such time, any explosives other than small arms ammunition. Safety and fire regulations require the elimination of all powder and detonating devices.

Neither shall any member or other person bring on the premises during such time any cartridge, bullet, shell, grenade, rocket, flare, or any other explosive that is sensitive to detonation normally in any other way than by discharge in small arms, nor any gas shell or gas container of any kind.

Neither shall any member or other person bring on the premises during such time any edged weapon in the form of bayonet having spring operated joints or of the "snap-open" variety, unless the release mechanism has been made safe by sealing with tape or in some other manner as the Safety Committee may approve.

Neither shall any member or other person bring on the premises during such time any edged weapon in "razor-sharp" condition or of a sharpness that might through normal handling result in cutting, unless such weapon is sealed in a scabbard or sheath, or has the cutting edge protected by tape or in some other manner as the Safety Committee may approve.

SECTION II

Penalty for Violation of Safety Rules

The Committee appointed by the duly authorized officers of this Association or any member of said Committee, or any officer of the Association, may order any violating member or other persons to

immediately remove his exhibit from the premises. Such violation shall be reported to the Committee and the officers of the Association who may declare the individual, if a member, in suspension of his membership, or if a non-member, bar him from exhibiting at any future meeting of the Association.

Any member or other person who has been barred or suspended may appeal to the President, who may see fit to consider the matter in conjunction with the Directors, and either remove the suspension or disbarment or sustain such penalties. The decision of the President and Board of Directors shall be final in all such matters.

SECTION III

Cecil C. Kyser
Robert Rubendunst

SECTION V

Penalty for Violation

Any member of the Association or other person found exhibiting prohibited items at a meeting or on the premises of a meeting may be requested by any member of the Committee appointed to enforce such rules, or any Officer or Director of the Association, to remove the offending items immediately. Failure to comply, or repeated violations, will result in suspension of membership or disbarment from meetings. Action by the President and Board of Directors shall be final.

The Committee on Safety and Exhibits recommends that if the above suggestions are adopted they be prepared in printed form for the information of all members and be displayed publicly on the premises at all meetings.

The privilege of appeal is recommended under Section II, Penalty for Violation of Safety, as it is realized that the Exhibitor may be a victim of the actions of others. Violation of rules of Exhibit are the planned act of the Exhibitor and no appeal is justified.

We recommend that the President appoint a Committee of an appropriate number, not of the Host Club, to enforce Safety and Exhibit rules for each meeting; this Committee to be supplied with a Book of Rules which also includes space for recording amendments, and a diary of meeting, with record of violations and warnings.

We also recommend that all Exhibitors be required to identify their formal displays and suggest that a Printed Form Card be supplied for this purpose.
